COMPANY

The company was established in 1993 as a professional manufacturer of liquid silicone products and have been engaged in this field for more than 13 years.

Since 1996, we started exporting our products worldwide. Through our constant efforts, we have built up a good reputation in the local market and OEM/ODM businesses for medical accessories and baby nipple as well as various silicone moulding products.

Supplying the best quality products and prompt services are our main aims. Our factory was certified by ISO 9001 in 1999 as a qualified manufacturer of medical products, this is the best guarantee to all our customers. In March 2006, we moved to a new factory building built in accordance with GMP requirements. It has 5 stories and 6,600 square meters total building area, with clean class 10K, 100K, and many more advanced facilities.
