The Company is located in the golden economic circle of the Yangtze River Delta and enjoys a superior geographical location and convenient transportation links.

Our new and modern company was established in 2000 and specializes in the design, production and sales of sanitary towels and protection mats for women and sanitary products for adults. With the right of import and export, we are currently supplying products worldwide under our brands.

With both ISO9001 and ISO14000 certification, we abide by the principle of 'Mutual Benefit and Management Credibly.' As a result, our company has won a good reputation among customers both at home and abroad with regard to high standards and quality products.

Our company continuously improves product quality through innovative design and the ability to meet market demands. Furthermore, our products are always featured among the top of those tested by differing national monitoring departments, and were a recommended product of Consumer Association in 2003.

Having been awarded the title of 'Product Quality Trustworthy Company' and 'AAA Credibility Enterprise' numerous times, it is our wish to establish sincere cooperative relations with interested parties on the basis of mutual benefit.

**Adult Diapers with Wetness Indicators**

Model Number: CRDP -0612/0612A

**Key Specifications/Special Features:**

- Netted channel, target acquisition zone, for fast liquid absorption
- Soft and smooth non-woven surface
- Leak guard for maximum protection
- With refasten tape
- Wetness indicator

**Adult Diaper with Leak Guard**

Model Number: CRDP -0611/0611A

**Key Specifications/Special Features:**

- \* Netted channel, target acquisition zone, for faster liquid absorption
- \* Soft and smooth nonwoven surface
- \* With leak guard for maximum protection
- \* With refasten tape

**Adult Diapers with Netted Channel**

Model Number: CRDC -0615

**Key Specifications/Special Features:**

- Netted channel, target acquisition zone, for faster liquid absorption
- Soft and smooth nonwoven surface
- With leak guard for maximum protection
- With refasten tape

**Pull-up Disposable Diaper with Leak Guard for Maximum Protection**

Model Number: CRDP –P

**Key Specifications/Special Features:**

- Netted channel, target acquisition zone, for faster liquid absorption
- Soft and smooth nonwoven surface
- With leak guard for maximum protection
- Pull-up type for better protection

### **Adult Diaper with Smooth Nonwoven Surface**

Model Number: CRDS -0610

#### **Key Specifications/Special Features:**

- Netted channel, target acquisition zone, for faster liquid absorption
- Soft and smooth nonwoven surface
- With leak guard for maximum protection

### **Adult Diapers with Waist Band and Leak Guard**

Model Number: CRDX -0613A

#### **Key Specifications/Special Features:**

- \* Netted channel, target acquisition zone, for faster liquid absorption
- \* Soft, smooth non-woven surface
- \* Leak guard for maximum protection
- \* With refasten tape
- \* Stay-dry strip, liquid is quickly wiced and locked away from the skin for ultimate skin dryness
- \* Waist band for better fitting

### **Adult Diapers with Wetness Indicator and Waist Band**

Model Number: CRDX -0614A

#### **Key Specifications/Special Features:**

- Netted channel, target acquisition zone, for fast liquid absorption
- Soft and smooth non-woven surface
- Leak guard for maximum protection
- With refasten tape
- Wetness indicator
- With waist band

### **Adult Diapers, Measuring 65 x 33cm**

Model Number: CRI-0605

#### **Key Specifications/Special Features:**

- \* Size: 65 x 33cm
- \* With leak guard for maximum protection
- \* Soft and smooth top sheet

**OTHER AVAILABLE PRODUCTS**

**Incontinence Pads**
